## ***A strong commitment to make quality, accessible, affordable medicines available to patients***

LAGOS, Nigeria, March 24, 2017/ Biogaran (French pharmaceutical company specialized in generic medicines) [www.biogaran.com](http://www.biogaran.com) and Swipha (Nigerian pharmaceutical company) [www.swipha.com](http://www.swipha.com) announced today the acquisition of Swipha's activities in Nigeria by Biogaran.

In order to develop new markets to meet its commitment to provide all patients with quality medication, Biogaran is pleased to announce this acquisition.

Swipha was the first Nigerian pharmaceutical company to obtain ISO 9001 certification in 2007. Approved by the Nigerian Ministry of Health, Swipha has a long history of providing quality medicines to the Nigerian population.

Health issues are particularly important in Africa. Biogaran is committed to providing quality, accessible, and affordable medicines to the African population. Biogaran's international expansion strategy is to create synergies by bringing its expertise and investment to the African market.
